

DOI Collateral Duty Safety Officer Course Modules

Note: To obtain certification, safety and health employees must complete all 24 course modules and both end of course exams.

To Access Course Modules Through DOI LEARN:

1. Go to <https://doilearn.doi.gov>
2. Log on with your User Name and Password
3. Click-on “Catalog” located in the uppermost menu bar and the Course Catalog homepage appears.
4. Type in “safety:” in the Search Window (be sure to include the colon after the word “safety” in your search). A complete list of all the safety course modules will appear. One can also call up an individual course module by typing in the title in the Search Window.
